PLEASE NOTE: The online registration merely “holds” a space for you on the chosen interim off-campus program, but is not a confirmation of enrollment. To finalize the registration, applicants must complete the tasks that will be deployed to them on the StudioAbroad portal after their registration has been processed (typically, by the day after registration) and pay the \$500 deposit by Friday, Sept. 15, 2017.

Amongst the portal tasks that you will need to complete, you will need to upload a color copy of the identity page of your valid passport, so make sure you have that document with you on campus at the time of registration!

Failing to complete the registration process may either forfeit your spot or cause the \$500 program deposit to be charged to your Lafayette student account.

Marquis Scholars must confirm their registration as well as submit the \$500 deposit as proof of commitment to the program.
